

BGGTS QUALITY POLICY

DELIVER WORLD-CLASS CUSTOMER EXPERIENCE

We Protect our Customer by building a **Zero Defect Culture** that accepts no defects, creates no defects, passes no defects

We **Continually improve** our processes & systems by getting to the root cause, leveraging past lessons & implementing sustainable preventive measures

We Empower all Employees to take informed and appropriate decisions at all levels. We strive to build a culture of trust, engagement and communication

We **Prevent problems from happening** by adopting a risk prevention approach through stringent procedures & standard works considering potential problems.

Dharmesh Save
Managing Director
